## 2020

### The International Construction Business Game

Supported by the Institution of Civil Engineers since 1988

Working hard during the Final

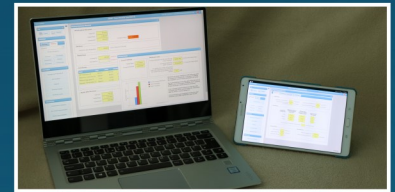

- Runs February - May 2020, with the Final held at Loughborough University on the 28th & 29th May
- Is open to all Construction professionals in teams of up to 4 members acting as company executives
- Allows participants to take part from their workplace, home, or anywhere there is an Internet connection

Preparing for the MERIT 2019 Final

Making tough decisions

The MERIT software running on Desktop and Tablet

- Contributes to CPD programmes
- Simulates your own construction company in a competitive market
- Trains in company, business and financial management
- Improves team working and communication skills

**£5,000  
Prize fund**

- Runs inside any web browser, so no tricky software to install
- Develops analytical and problem solving techniques
- Promotes leadership and disciplined decision making
- Is a cost-effective and dynamic training tool

The MERIT 2019 Finalists

The joy, excitement and relief of winning MERIT

Could you be claiming one of these MERIT 2020 awards?

Alan Crane and Andrew Wylie congratulate "Panchatantra" an Atkins, India team, MERIT 2019 Champions
